PAS E-BIKE (with pedal assist) RENTAL CONTRACT

SERVICE TERMS & CONDITIONS

Rental and use of the e-bike with pedal assist assumes knowledge and unconditional acceptance by the user of these terms & conditions, the price list, and the opening and closing hours of Green City, which is the owner of the bike, with office in Vicolo Volto San Luca 23.

- 1)** To rent an e-bike with pedal assist, users must be 18 years or older.
- 2)** Use of the e-bikes requires that users be physically fit to ride them and have sufficient technical skill. Therefore, by renting an e-bike, users confirm that they have sufficient skill and the necessary expertise, without any reservation.
- 3)** The e-bike is to be used only as a means of transport and is to be handled with care, common sense and due diligence, so as to prevent damage both to the bike and its accessories. It is forbidden to use the e-bike to do business or to allow third parties to use it.
- 4)** The user is responsible for the e-bike until its final restitution to the Service Provider; he/she is also responsible for damage caused to himself, the e-bike or third parties and property during its use. The Service Provider shall not be required to provide any form of compensation.
- 5)** Users are entitled to take out an insurance policy to cover for damages (third-party civil liability) and a personal accident policy with the rental Service Provider. The user is therefore required to comply with the rules of the Highway Code. The Service Provider rejects any form of responsibility in case of improper use of the bike or of failure to observe the rules of the Highway Code.
- 6)** The Service Provider may carry out inspections throughout the bike rental period and can demand its restitution if it finds that the user has used the bike improperly. The Service Provider may refuse to rent bikes to persons in a state of drunkenness or under the influence of narcotic substances (pursuant to articles 186-187 of the Highway Code) and for any other reason, at its sole discretion.
- 7)** If the user loses the keys or e-bike accessories, or in the event of damage, the Service Provider will demand that the User refund the amount required to restore the bike to its original conditions, based on the price list and the supplier's price quote. In the event of total theft, the user shall have to indemnify a fixed fine of Euro 1,800.00.
- 8)** The bike must be returned during scheduled working hours and in the same place where it was delivered to the user. The e-bike is considered to have been returned successfully only if returned directly to the Service Provider; e-bikes parked outside the place of rental and after closing hours cannot be considered as returned. Failure to return the bike without prior notice or for reasons not justified by exceptional circumstances will be considered as a crime of theft and as such will be reported to the Judicial Authorities.
- 9)** The user may request the e-bike pick-up service from the Service Provider, the cost of which is indicated in the price list. The Service Provider, however, is not required to provide the pick-up service and as such, its failure to do so does not qualify as a breach of service. It is in the Service Provider's interest to pick-up e-bikes and only unforeseen momentary impediments can prevent it from providing the service.
- 10)** The user shall pay the rental service fee applicable from the beginning of the rental until the date in which he/she terminates the rental agreement, in addition to any fines for damage and theft (partial or total).
- 11)** In the event of theft of the e-bike, the User shall submit copy of the report filed with the competent authorities to the Service Provider and pay the amount equal to the value of the stolen e-bike (see Art. 7), which the Service Provider will refund to the User only if the bike is found or recovered.
- 12)** For all matters not discussed in these terms & conditions, the relationship between the Parties (contractors) is governed by the Italian Civil Code. For any dispute arising between the Parties, the place of jurisdiction shall be the Court of Verona.
